## **QUALITY ASSURANCE INDICATORS**

- 2.2.7 Materials that are available to children reflect the lives of the children in care, their families and the cultural diversity of the broader community
- 2.2.8 Materials and equipment are flexible and can be rearranged or adjusted to provide additional interest, variety and challenge. For example, “indoor” materials used outdoors, obstacle courses, a variety of structures for jumping and climbing
- 2.2.9 Materials and equipment are available to children to encourage exploration of similarities and differences in families, cultures, genders, age groups, abilities, interests and objects
