QUALITY ASSURANCE INDICATORS

- 2.2.5 Children are encouraged to care for equipment, materials and the environment. For example, Carers and coordination unit staff provide positive role models in caring for equipment, materials and the environment
- 2.2.6 Children have access to a range of commercial, natural and simple home made materials and resources
- 2.2.7 Materials that are available to children reflect the lives of the children in care, their families and the cultural diversity of the broader community
- 2.2.8 Materials and equipment are flexible and can be rearranged or adjusted to provide additional interest, variety and challenge. For example, “indoor” materials used outdoors, obstacle courses, a variety of structures for jumping and climbing
