QUALITY ASSURANCE INDICATORS

- 2.2.8 Materials and equipment are flexible and can be rearranged or adjusted to provide additional interest, variety and challenge. For example, “indoor” materials used outdoors, obstacle courses, a variety of structures for jumping and climbing
- 3.2.8 There is evidence that evaluations of play sessions by coordination unit staff have influenced play session planning
- 3.2.11 Experiences to be offered to children at play sessions are documented and displayed for Carers, families and coordination unit staff
