

‘Sharing’ is about division

© Commonwealth of Australia 2006

What we do and what it means

Mum: Can you share out the cake for the toys?

Aaliya: One for you, and one for you, and one for you ...

Children will share out by saying ‘one for you’ and ‘one for you’ until nothing is left.

Later, children will learn that sharing out is about division and will know what to do with the ‘left over’.

An Australian Government initiative, funded by the Department of Education, Science and Training
